REPLY TO EXAMINER INTERVIEW HELD JANUARY 3, 2008

Dear Sir:

An interview was conducted on January 4, 2008. While the discussion generally related to all the claims, the focus of the discussion focused on independent claims 1, 19, 20, 27 and 28. In particular, references Ferrari *et al.*, (US Publication 2003/0097357) and Bailey *et al.*, (US Patent 6, 785,671), were discussed in the interview. Amendments made to the independent claims were discussed with the Examiner. The interview was conducted with Ronald Krosky (Reg. No. 58,564), Asmita Chande, and Examiner Ludwig. The main focus of the interview was on deficiencies of the 103 rejection. No agreements were reached.

No fee is believed to be due but in the event any fees are due in connection with this document, the Commissioner is authorized to charge those fees to Deposit Account No. 50-1063 [MSFTP492US].
